UNEP EPA MOU Fall 2016 FINAL.doc

Dear All,

Many thanks for your collaboration in updating the attached document for renewal on September 16. Per our previous email correspondence, I've created a final version of the document that reflects all agreed upon changes. Please retain for your files and forward to others if needed. I will also send around the signed version after next week's meeting. **Please note that EPA will take responsibility for printing copies for signature during next week's meeting.**

Thanks again,
Alexis
